RANGE BROCHURE**

Yes, you can.®

SAY HELLO TO THE NEW ACTION FAMILY RANGE

Hello! Welcome to Invacare's bold new **'Day and Night'** campaign and to **the award winning Action Family range of wheelchairs.**

Over the past 20 years, **Invacare's Action Family** have set the standard for wheelchair build **quality, reliability and performance.**

Whilst that standard has been set, we have also seen wheelchairs marketed in a stale, safe and sedentary way, with not much out there to inspire people. So **with the new Action 3 and Action 4 coming to the market,** we decided it was time to **brake free** from that tradition and **say goodbye to the boring old fashioned stereotypes of the past!**

Our 'Day and Night' campaign has fresh and modern, hyper-real examples of everyday users. We have always had a commitment to providing **quality products** which meet needs and individual styles, but we want to **take a step forward** and play our role in **creating fun, positive and inspiring representations** of everyday wheelchair users.

We hope you like where we are going and that you continue to **enjoy our market leading range of wheelchairs!**
